

ACTS 8 - COMMUNITY GROUP QUESTIONS

Get to know me...

1. Why do you go to Church? (Don't share the right answer, share your honest answer!)
2. What from the sermon resonated with you?

Getting into the Bible:

3. Read 1 Corinthians 13:1-8. How is the love described in this chapter different than the way our society portrays love?
4. In the sermon, Logan said, "*we are not here to see, or be the show, we are here to see and show Jesus.*"
 - *How does this passage relate to Logan's statement?*
5. This passage is often misused and applied to personal relationships, however, Paul's intention was to apply the truths of this passage to the "Body of Christ." (see 12:27-30)
 - How can we apply this to our Church today?
6. In verses 4-7, Paul's describes the love of Jesus. How are you doing at "seeing and showing" this kind of love in your life, family and community?

Application:

7. How can you improve at seeing and showing the love of Jesus this week?

Pray for each other
